

endless love (lionel richie)

my love
there's only you in my life
the only thing that's right
my first love
you're every breath that i take
you're every step i make

and i, i want to share all my love with you
no one else will do
and your eyes
they tell me how much you care
oh yes, you will always be
my endless love

two hearts
two hearts that beat as one
our life have just begun
and forever
i hold you close in my arms
i can't resist your charm

and i, i'll be a fool for you
i'm sure you know i don't mind
'cause baby you mean the world to me
i know i found in you
my endless love

and i, i'll be a fool for you
i'm sure that you know i don't mind
oh yes you'll be the only one
no one can deny this love i have inside
and i give it all to you
my love, my love
my endless love
